

North Louisiana
**Orthopaedic &
Sports Medicine Clinic**

Experience You Can Trust Since 1951

Disclosure of Physician-Owned Facility

During the course of your treatment with North Louisiana Orthopedic & Sports Medicine Clinic, you might be referred to the Advanced Surgery Center of Northern Louisiana for an outpatient procedure/surgery. A number of our physicians are part owners of the facility. You, the patient, have the right to have the outpatient procedure at an alternate facility not owned by the physicians.

By signing below, I acknowledge that I have been informed of physician ownership of Advanced Surgery Center of Northern Louisiana and have been given the option to have the procedure/surgery done elsewhere but choose to have it done at Advanced Surgery Center of Northern Louisiana.

Physicians with ownership in Advance Surgery Center of Northern Louisiana:

R. Brian Bulloch, M.D. Jeffrey R. Counts, D.O. Martin J. DeGravelle Jr., M.D.
Grant A. Dona, M.D. White "Sol" Graves, IV, M.D. Kristopher C. Sirmon, M.D.
Timothy "Daven" Spires Jr., M.D. David M. Trettin, M.D.

During the course of your treatment with North Louisiana Orthopaedic & Sports Medicine Clinic, you might be referred to physical therapy. We offer therapy services here at our office, and all of our physicians are part owners of the rehabilitation department. You will be given a list of therapy agencies in the area in which to choose from. If you do not receive this list, please notify our office manager or CFO.

Also, during your course of treatment here, you may be referred to have an MRI. All of our physicians are part owners of our MRI machine located here at our office. At the time your MRI is scheduled, you will be given a list of other area providers who perform MRIs. If you do not receive this list, please notify our office manager or CFO.

By signing below, I acknowledge that I have been informed of physician ownership in the rehabilitation department and the MRI department located in North Louisiana Orthopaedic & Sports Medicine Clinic.
